Q1 2023 INVESTOR REPORT

March 26th, 2023

Summary

The beginning of this year has been rough, with the market having a big impact and causing things to slow down. Despite this, we stayed on track and used our resources wisely. Now that we have established a strong foundation, we are returning to our original and most successful game, Crash. We are exploring ways to expand it even more with the help of partners and affiliates.

What Happened

- Panda.co is now fully functional. The platform has 6 games and supports +10 crypto currencies
- Improved cashier frontend and backend. Near-instant deposits & withdrawals
- Branding improvements
- Whitelabel platform partnership
- Lots of bug fixes

What's Next

- Higher wager volumes on Panda & Slam Vegas
- UI/UX Improvements
- Affiliate partnerships, marketing
- Bonuses, jackpots, wager competitions
- Platform Translations

Slam Vegas

slamvegas.com

During the last quarter, we devoted our attention to Panda.co, but in the upcoming Q2, we intend to shift our focus to SLAM Vegas. We have many dedicated players who keep coming back to our games, and we believe that SLAM Vegas is a crucial area that needs to be further developed to attract new players as well. Our goal is to cultivate an engaging and enjoyable gaming experience for all of our users and to maintain our reputation as a top player in the industry. By prioritizing SLAM Vegas, we hope to expand our customer base and continue providing high-quality entertainment to our loyal players.

Since Last Quarter	Q1 Priorities
Improved Cashier (Frontend & Backend)	Marketing and further partnerships
Ongoing support and improvements	Increasing volume
	Major UI/UX changes
	SEO

Panda.co

SLAM DAO

slamtoken.com/dao

The SLAM DAO remains in place to involve our holders in project decisions. This function will be called upon when needed to ensure SLAM holders have a voice in the project.

Slam NFT

slamjokers.com

SLAM Jokers continue to be kept in mind, we want to assure you that we have plans to integrate them into our ecosystem and platforms. While they are currently at a lower priority, we are still committed to addressing this and ensuring that they are properly integrated. We will provide updates as soon as we have more information to share. Thank you for your understanding and support.
